Text Note Screen

The screenshot displays the 'Text Note Screen' in the Quicken Loans system. At the top, the Quicken Loans logo is centered, with the tagline 'Engineered to Amaze™' below it. A horizontal bar with segments of blue, orange, red, and green is positioned under the logo. Below this bar, there are four input fields: 'Note Title:', 'Loan Number:', 'Other Tags:', and 'Share With Group:'. The 'Share With Group:' field includes a dropdown menu currently showing '-- Select Group --'. Below these fields, the 'Group Edit Setting:' section has two radio buttons: 'Read Only' (which is selected) and 'Editable'. The main content area is a large, empty text editor window with a standard toolbar at the top containing icons for bold, italic, underline, list, link, font size, font family, and font format. At the bottom of the page, there are three buttons: 'Save Note', 'Clear Note', and 'Return to Dashboard'.
