Fall 2013

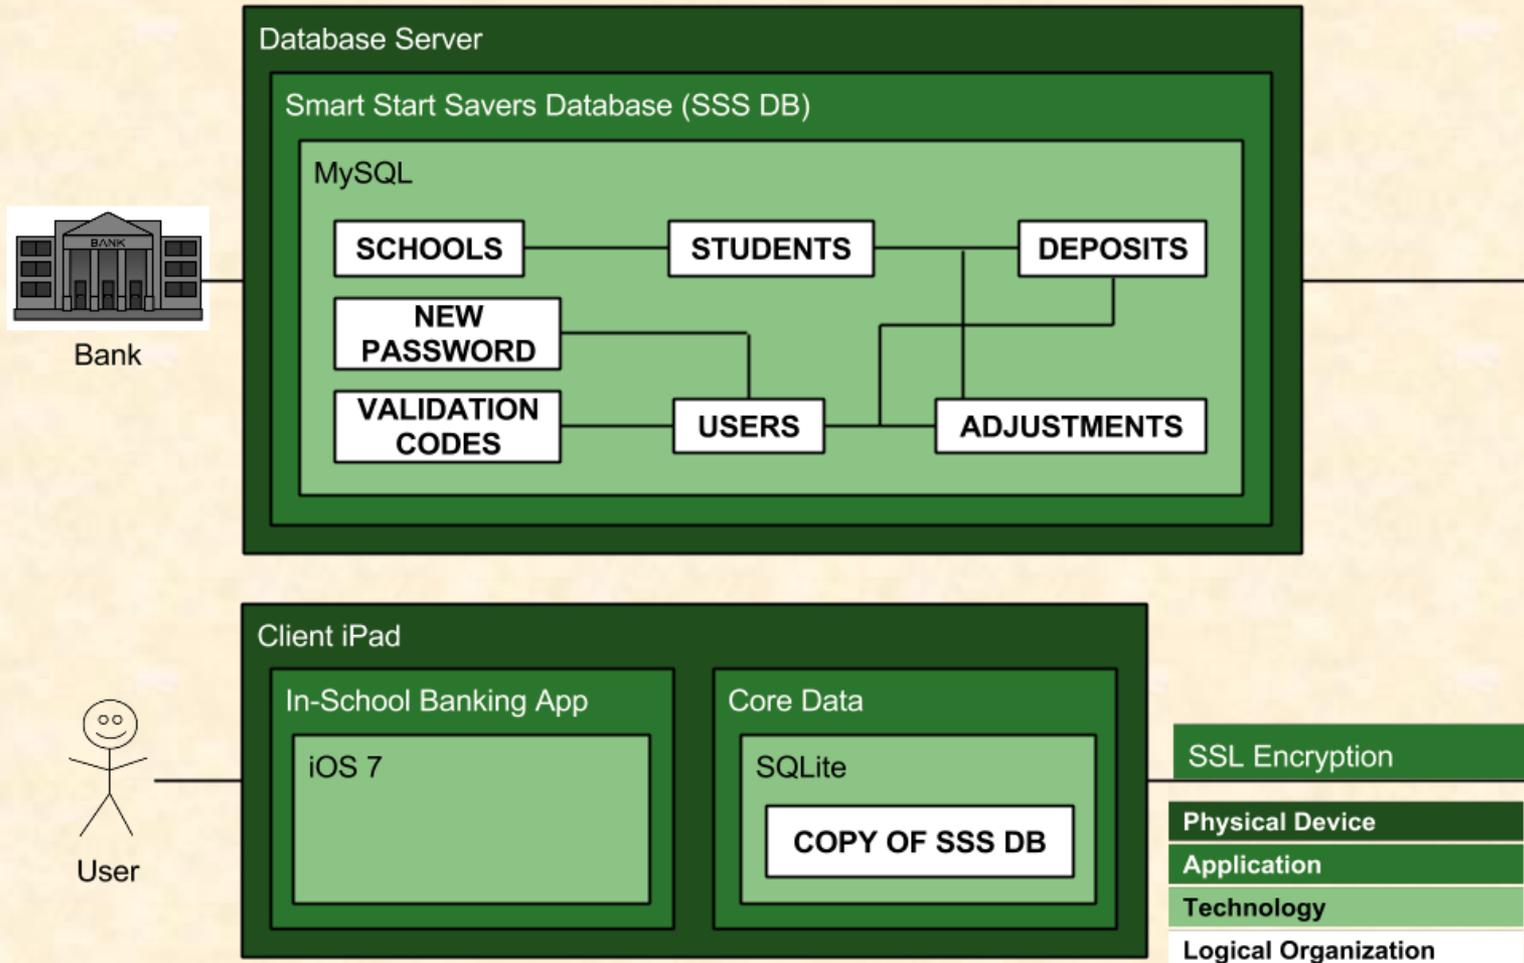

*From Students...  
...to Professionals*

# Project Overview

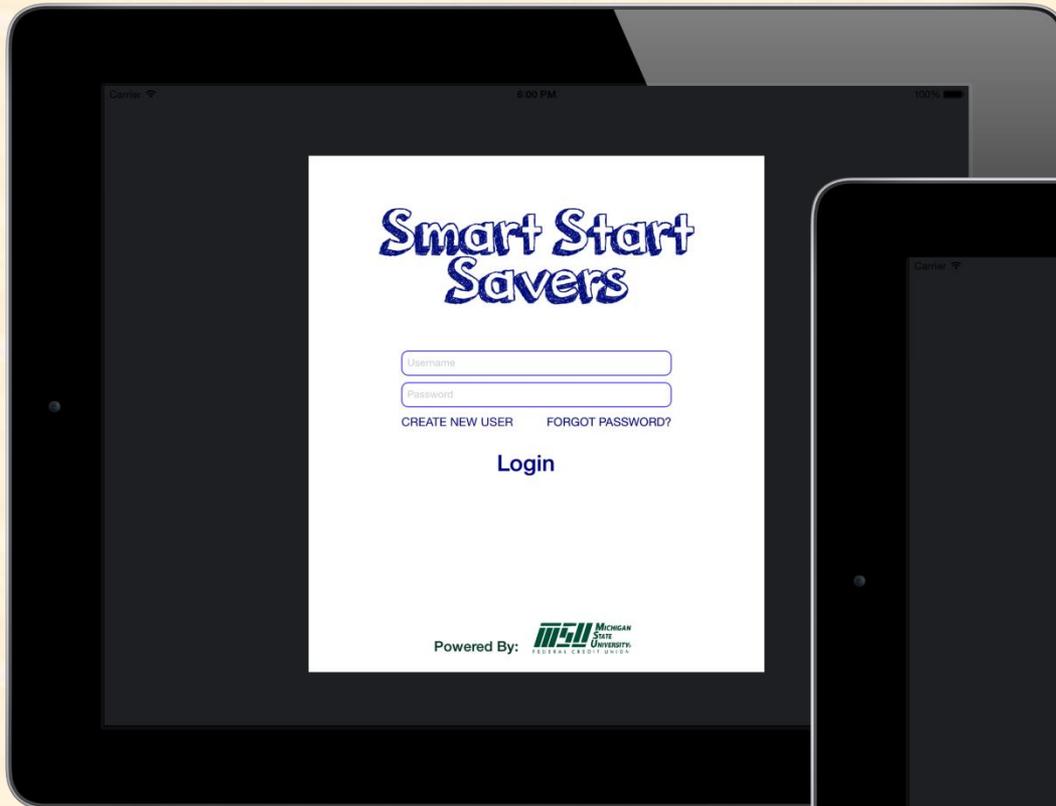

- MSUFCU deposit-only micro-branch in local schools
- iPad app serves as piggy bank of the 21<sup>st</sup> century
- Run by adult volunteers
- *Features*
  - Login/create new user
  - Add/edit students
  - Make/edit deposits
  - View student/daily transaction summary
  - Automatic email notification of transaction

# System Architecture

# Login/Create New User

# Forgot Password

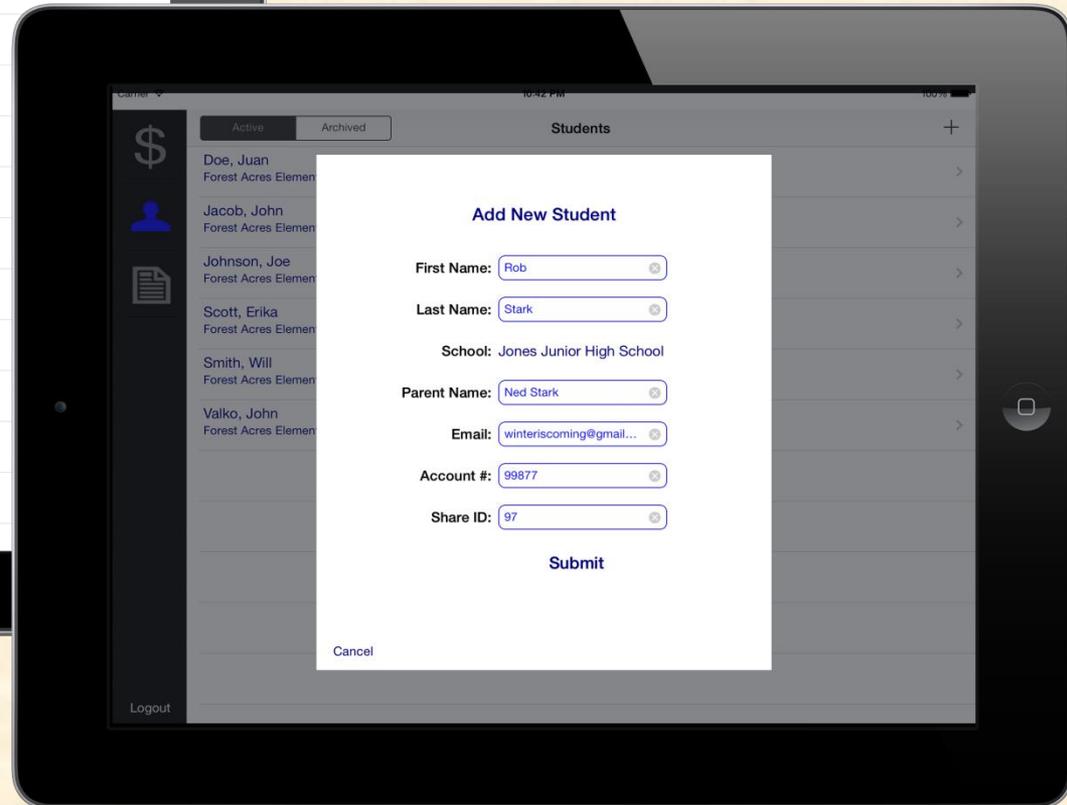

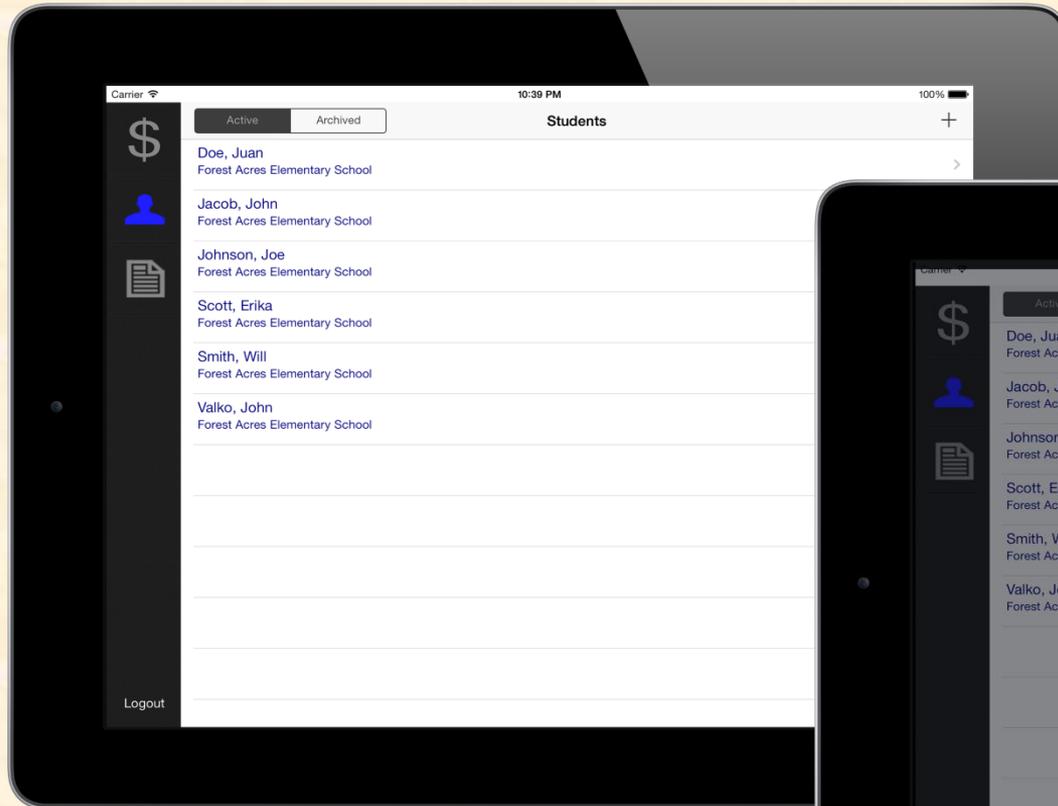

# Accept Deposit

The image shows a tablet displaying a web application interface for accepting a deposit. The interface is titled "Deposit" and includes the following fields and elements:

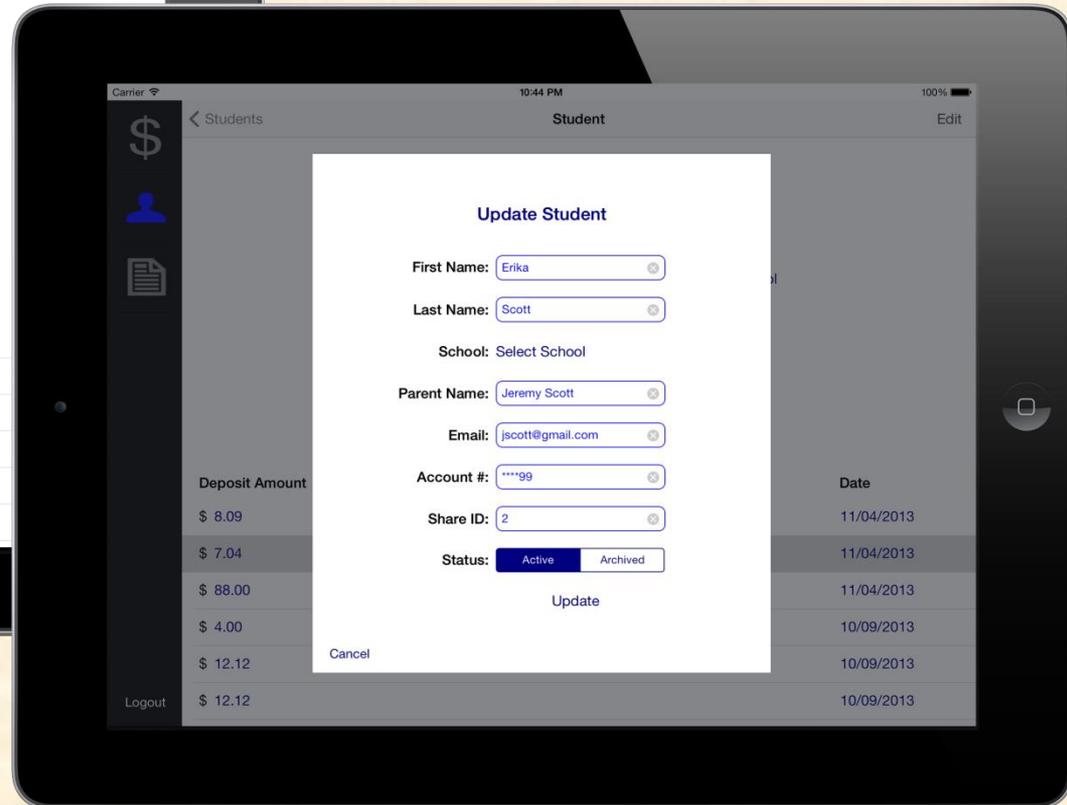

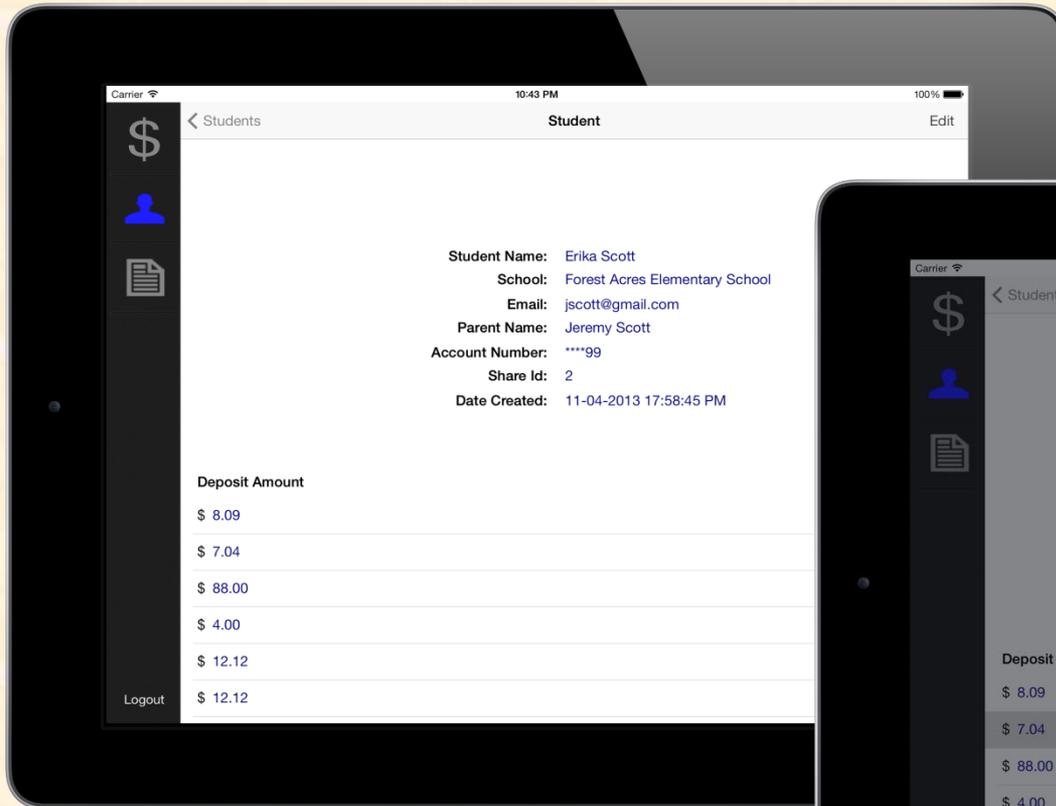

- School:** Forest Acres Elementary School
- Student Name:** Scott, Erika
- Account Number:** \*\*\*\*99
- Share ID:** 2
- Deposit Amount:** A text input field containing "8.09" with a dollar sign (\$) to its left.
- Submit:** A large, circular button with the word "Submit" written in a stylized font.

On the left side of the tablet screen, there is a vertical navigation bar with three icons: a blue dollar sign (\$), a person icon, and a document icon. At the bottom left of the screen, there is a "Logout" link. The top of the screen shows a status bar with "Carrier", "10:30 PM", and "100%" battery.

# Student Summary/Edit Student

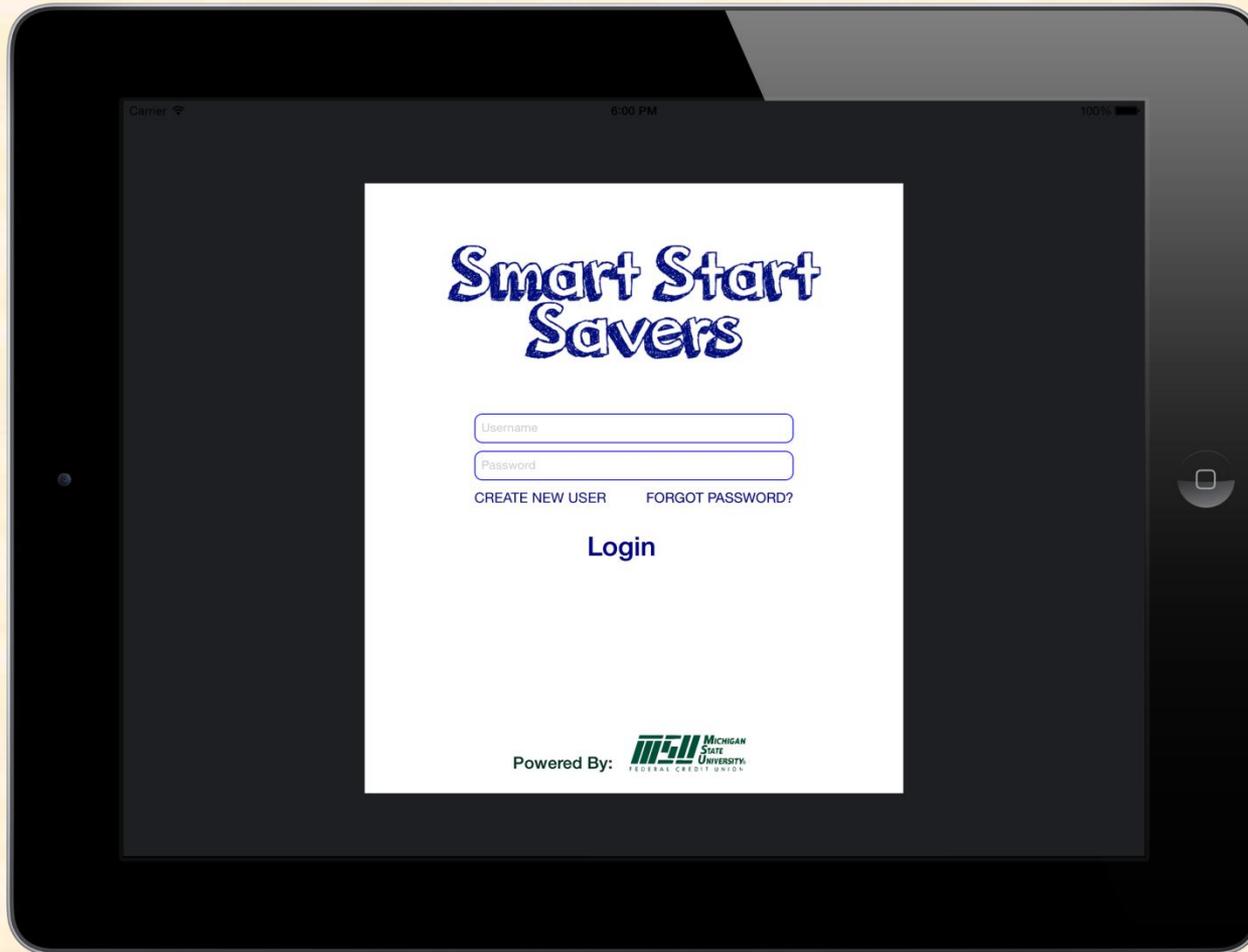

# View/Edit Transaction

# Demo

# What's left to do?

- Finish setting up email notifications
  - Waiting on MSUFCU
- Polish/edit user interface
- Bug fixes (mostly UI)
- User testing
