...to Professionals*

Project Overview

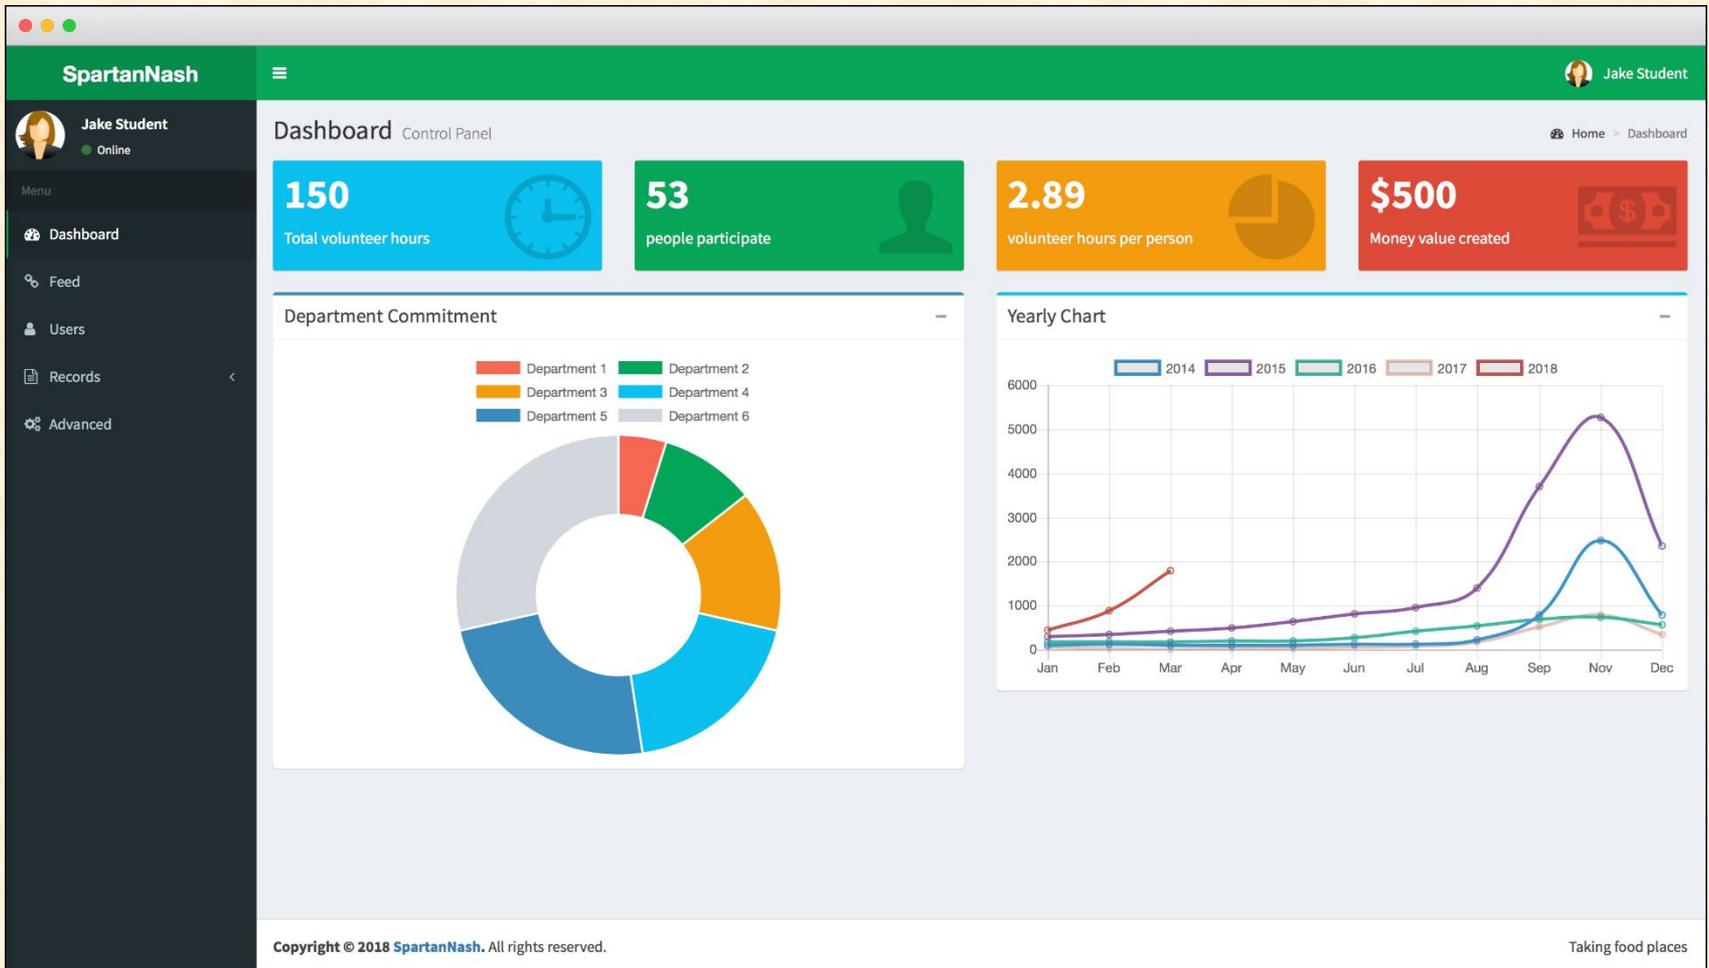

- Allow associates to track their volunteer hours using a digitized form
- Encourage associates to maximize their volunteering efforts through badges and rewards
- Increase associate interaction through personal profiles, messages and a newsfeed
- Allow supervisors to monitor the system and share company progress with associates

What's left to do?

- Implement various leaderboard charts to display company statistics
- Create a reward system for associates who reach the company goal
- Gamify user experience by adding badges and awards
- Reliability and scalability testing
