Project Overview

- Insurance claims have a lot of video content
 - Time consuming to review multiple videos of one event
- Building upon existing OpenContent Management Suite's (OCMS) architecture
- Adding two new actions
 - Add videos from a map view
 - Merge multiple videos together

System Architecture

Add Videos From Map Action

The screenshot displays the OpenContent Management Suite (OCMS) interface. On the left, a sidebar contains a 'Claim' section with 'Folder Properties' (Claim Number: 000002, Policy Number: 172986, Policy Year: 2019) and an 'Actions' menu. The 'Add Video From Map' action is highlighted in the menu. The main content area is titled 'Add Video From Map' and features a map of Michigan State University. A search bar at the top of the map area contains 'Michigan State University Wharton Center'. Below the search bar, there are input fields for 'Time From' (02:00 PM), 'Time To' (02:30 PM), and 'Date' (03/01/2019), followed by a 'Submit' button. The map shows various campus buildings and landmarks, with a red circle highlighting a specific location. Below the map, there are 'Add All' and 'Add Selected' buttons. A list of video files is displayed below these buttons:

- passageway1-c1.mp4
- passageway1-c2.mp4

Map View of Folder Contents

The screenshot displays the OpenContent Management Suite interface. The browser address bar shows the URL: localhost:8080/hpi/Stage/insuranceClaim/8d92dc43-7eac-4f1c-603899a3410a-0.1?folderActionId=viewAllDocuments. The page title is "View All Documents".

Left Sidebar:

- Claim:** Folder Properties table with columns for Claim Number (000002), Policy Number (172986), and Policy Year (2019).
- Actions:** A list of folder actions including View Properties, Property Integrity Check, View All Documents, View Folder Terms, Add Documents, Folder Notes, Send Email, Export Folder, Add Video From Map, and Delete Document.
- Related Objects:** A section titled "Folder Contents" showing two items: Supplemental and Video.

Main Content Area:

- View All Documents:** Search returned 11 results. Includes navigation buttons (Prev, Next), page size (100/Page), and filter options (Quick Filter, No Predefined Filter, Filter By).
- Map:** A Google Map showing a geographical area. A red polygon and a green polygon are overlaid on the map, representing the folder's content boundaries. Landmarks include "Wharton Center for Performing Arts" and "Im East Field".
- Map Controls:** Includes a "Populate Map" button, map style toggles (Map, Satellite), and standard map navigation tools.

Adding Annotations

The screenshot displays the OpenContent Management Suite interface. The top navigation bar includes 'Search', 'Collections', 'Dashboard', 'Create Wizard Form', and 'Create New Folder'. The user is logged in as 'admin'. The main content area is titled 'Annotations' and shows a list of annotations for the video 'passageway1-c3.mp4'. The video player on the right shows a scene with a man walking and bicycles.

Annotations Panel:

- Start Time:** 15 seconds
- End Time:** 20 seconds
- Description:** Man is walking out of the frame of the video
- Actions:** Save Annotation, Cancel
- Search:** Search... Chronological (ASC)
- Annotation 1:** admin : 3.602 - 10.602 - Created on Mar 26, 2019. He got on one of the bicycles.
- Annotation 2:** admin : 30.685 - 40.685 - Created on Mar 26, 2019. Two people walked down the stairs into the view.

Video Player: passageway1-c3.mp4. Playback progress: 0:00:15 / 0:00:45.

Merge Videos Action (4 videos)

The screenshot displays the OpenContent Management Suite interface. On the left, the 'Claim' sidebar shows 'Folder Properties' with the following details:

Claim Number	000002
Policy Number	172986
Policy Year	2019

Below this, the 'Actions' panel lists various folder actions such as 'View Properties', 'Property Integrity Check', 'View All Documents', 'View Folder Terms', 'Add Documents', 'Folder Notes', 'Send Email', 'Export Folder', 'Add Video From Map', and 'Delete Document'. The 'Related Objects' section shows 'Folder Contents' with 'Supplemental' and 'Video' items.

The main area features a video player titled 'finalVideo.mp4'. The video shows a sequence of frames from an underground parking garage. The top frame is a large, clear view of a bicycle parked in the center of the frame, with people walking in the background. Below this, three smaller frames show different perspectives of the same scene, illustrating the merging of multiple video sources into a single continuous clip. The video player includes a play button, a progress bar at the bottom showing '0:00:00 / 0:01:00', and standard playback controls.

Merge Videos Action (3 videos)

The screenshot displays the OpenContent Management Suite (OCMS) interface. The browser address bar shows the URL: localhost:8080/hpi/Stage/insuranceClaim/8d92dc43-7eac-4f1c-603899a3410a-0.1%7C400a368a-c92c-482d-bf99-53a7af8b36ad-0.1. The page title is "Claim".
