MICHIGAN STATE UNIVERSITY

Beta Presentation Group Project Organization and Scheduling

The Capstone Experience

Team Michigan State University ITS

Sarah Abumansoor Jacob Bickel Kristin Calder Jacob Dasuqi Cyndy Ishida Jack Wydra

Department of Computer Science and Engineering Michigan State University Spring 2019

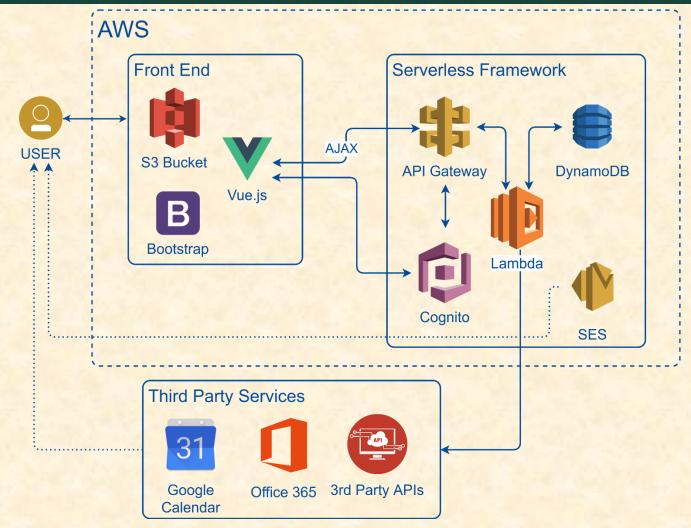

From Students... ...to Professionals

Project Overview

- System centralizes scheduling and any services used to work on the project
- Scheduling feature finds the best time for all group members to meet
- Quick access to collaboration tools
- Introduce new collaboration tools and resources to groups

System Architecture

What's left to do?

- Finalize User Experience
- Trello integration
- Microsoft offline access
- Refine logging statements from front end and back end
- Ability to delete account

Questions?
