

The Capstone Experience

Dr. Wayne Dyksen

Department of Computer Science and Engineering
Michigan State University
Spring 2019

*From Students...
...to Professionals*

Course Goals

- Build a Significant Software System
- Work in a Team Environment
- Learn New Tools and Environments
- Build and Administer Systems
- Develop Communication Skills
- Develop Interview Talking Points
- Consider Issues of Ethics and Professionalism

Course Goals

- Teams of Students
- Build Significant Software System
 - Design
 - Develop
 - Debug
 - Document
 - Deliver
- For Corporate Clients
- In 15 (Short) Weeks

Project Deliverables

- Project Plan Document & Presentation
- Alpha Presentation
- Beta Presentation
- Project Software & Documentation
- Project Video
- Design Day

See [Major Milestones](#).

All-Hands Meetings

- TuTh, 3:00-4:20 p.m., 1279 Anthony Hall
- Presentations By
 - Professor
 - Teams
 - Status Report Presentations
 - Formal Presentations
 - Project Plan
 - Alpha
 - Beta
 - Project Videos
 - Guest Speakers

All-Hands Meetings

The Google logo is displayed in its classic multi-colored font. The letters are: 'G' (blue), 'o' (red), 'o' (yellow), 'g' (blue), 'l' (green), and 'e' (red). The logo is centered on a light beige background with a subtle paper-like texture. A dark green horizontal bar is at the top, and a grey vertical bar is on the left. Another dark green horizontal bar is at the bottom.

Team TechSmith Project Overview

Internal Telemetry for TechSmith Products

- Functionalities
 - Help TechSmith Developers Improve TechSmith Products
 - Create Telemetry Gathering System
- Features
 - Build Telemetry Framework
 - Integrate with Any Win32 App
 - Provide Simple API
 - Write Application Prototypes
 - Simulate Scenarios
 - Demonstrate Telemetry Framework
 - Provide Web Dashboard to View Telemetry
 - Integrate Into One TechSmith Product
- Technologies
 - Microsoft
 - Windows Presentation Foundation (WPF)
 - Windows Error Reporting APIs
 - Partner Center REST API
 - Visual Studio AppCenter
 - Azure
 - ASP .Net Core
 - C++ / C# / C++ / CLI
 - JavaScript
 - Docker
 - DirectX Diagnostic Tool (DxDiag)

URBAN SCIENCE™

[USA](#)[SEARCH](#)[INSIGHT LAB](#)[CONTACT US](#)

EVERYONE HAS AN OPINION. WE HAVE SCIENCE.

Since the day we started, we've been a force for change. We started with a problem to solve. We scrutinized it, developed a theory, tested it and applied the solution. And we have the same approach today, we listen to our clients' needs and find a solution. We're curious, objective, empirical and determined. Through this spirit, we invented The Power of 4™ formula to bring scientific discipline to the business world. It's how we are Guiding Business Through Science.

The logo features a thick, light green swoosh that starts on the left, curves over the top, and tapers off to the right. The text "Consumers Energy" is written in a bold, blue, italicized sans-serif font, positioned within the curve of the swoosh.

Consumers Energy

Count on Us[®]

DRIVEN-4

ēvolūtīō

The Google logo is centered on a light beige background with a subtle paper-like texture. The logo consists of the word "Google" in its signature multi-colored font: a blue 'G', two red 'o's, a yellow 'o', a blue 'g', a green vertical bar for the 'l', and a red 'e'. The letters are bold and rounded. At the top and bottom of the image, there are horizontal bars: a thin grey one on the left and a wider dark green one on the right.
