User View

Hierarchy View

The screenshot displays the RallyOKR web application interface. The browser's address bar shows the URL `localhost:3000/hierarchy`. The application header includes the RallyOKR logo and a "Log Out" button. The main content area is titled "OKR Hierarchy" and features a search bar with the placeholder text "Type and search". Below the search bar, three OKR items are listed, each with a progress bar and an "Add Child OKR" button:

- OKR: + Increase market share by 10% (Progress: 70%)
- OKR: + Sample new okr from save request (Progress: 0%)
- OKR: Facilitate New Client Connections (Progress: 60%)

A sidebar on the left contains a search input field and navigation links for "OKR Hierarchy" and "FAQs". A red "Add Root OKR" button is located in the top right corner of the main content area.

OKR Detail View

The screenshot displays the RallyOKR application interface. The browser address bar shows 'localhost:3000/okr/4'. The application header includes a search bar, 'OKR Hierarchy', and 'VACs' links. The main content area features the OKR title 'Facilitate New Client Connections', a deadline of '10/14/2020', and various metadata fields. A progress bar indicates the overall status at 60%. Below this is a table of key results with columns for Key Result, Deadline, Health, Grade, and Status. The 'Comments' section at the bottom shows a recent update by Megan Mcarty.

Key Results Detail View

The screenshot displays the RallyOKR web application interface. The browser window title is 'RallyOKR - Track your OKRs' and the address bar shows 'localhost:3000/kr/1'. The application header is pink with the 'RallyOKR' logo and a 'Log Out' button. A left sidebar contains a search bar and navigation links for 'OKR Hierarchy' and 'FAQs'. The main content area features a 'Get 100 new clients' Key Result card. This card includes a 'Parent OKR' link, a 'Deadline: 10/2/2020', 'Created: 8/2/2020', 'Business Area: unassigned', and 'Assignee(s): Tony Sulfaro, Megan Mccarty, Abi Venkat'. An 'Email Assignees' link is also present. To the right of the card, an 'Overall Status' section shows a 100% progress bar, 'Health: Complete', and 'Grade: N/A'. Below this is a 'Links' section with a 'Google' button. The 'Description' section contains the text 'Get 100 new clients to further our business thing'. The 'Update Health and Status' section has a 'Health' dropdown menu set to 'None Selected' and a 'Status' input field with the placeholder 'Enter Integer Status', accompanied by an 'Update' button. At the bottom, a 'Comments' section includes an 'Add Comment' button, a text input field with the note 'Note: Another Note', and a 'Chat in Teams' button. The user 'Tony Sulfaro' is listed as the author of the note.

What's left to do?

- Polish user interface
- Keep track of OKR status changes
- Ability to add OKRs from hierarchy page
- Update KR statuses directly from user view
- Add document links to OKRs
