System Architecture

User View

The screenshot displays the RallyOKR user interface. At the top left, the text "RallyOKR" is visible. In the top right corner, there is a "Log Out" button. A sidebar on the left contains three menu items: "OKR Hierarchy", "FADs", and "Completed OKRs". The main content area features a user profile for "Abinand Thiru Venkat" with the email "thiru4@msu.edu" and a "Hierarchy" button. Below the profile, the section "OKRs I Own" contains three cards, each with a red progress bar labeled "Not Started" and the text "Key Results: No Key Results". The objectives are "Move 20% of operations online", "Improve technology usage", and "Supply employees with laptops". The section "Assigned KR's" contains three cards with progress bars: "On Track" (green), "At Risk" (yellow), and "On Track" (green). The objectives are "Get 100 new clients", "Get new connections", and "Improve customer satisfaction to 80%".

Hierarchy View

The screenshot displays the RallyOKR interface for viewing an OKR hierarchy. The top navigation bar includes the RallyOKR logo and a 'Log Out' button. The main heading is 'OKR Hierarchy', with buttons for 'Show Inactive OKRs' and 'Add Root OKR'. A search bar labeled 'Type and search' is present. The left sidebar contains navigation links for 'OKR Hierarchy', 'FAQs', and 'Completed OKRs'. The main content area lists several OKRs, each with a progress bar and an 'Add Child OKR' button.
