Project Overview

- Malleable Minds is an emerging startup building an educational program review aggregator
- The web application allows parents and educators to create and read reviews on educational programs
- We optimized the site's performance and added additional features

Program View

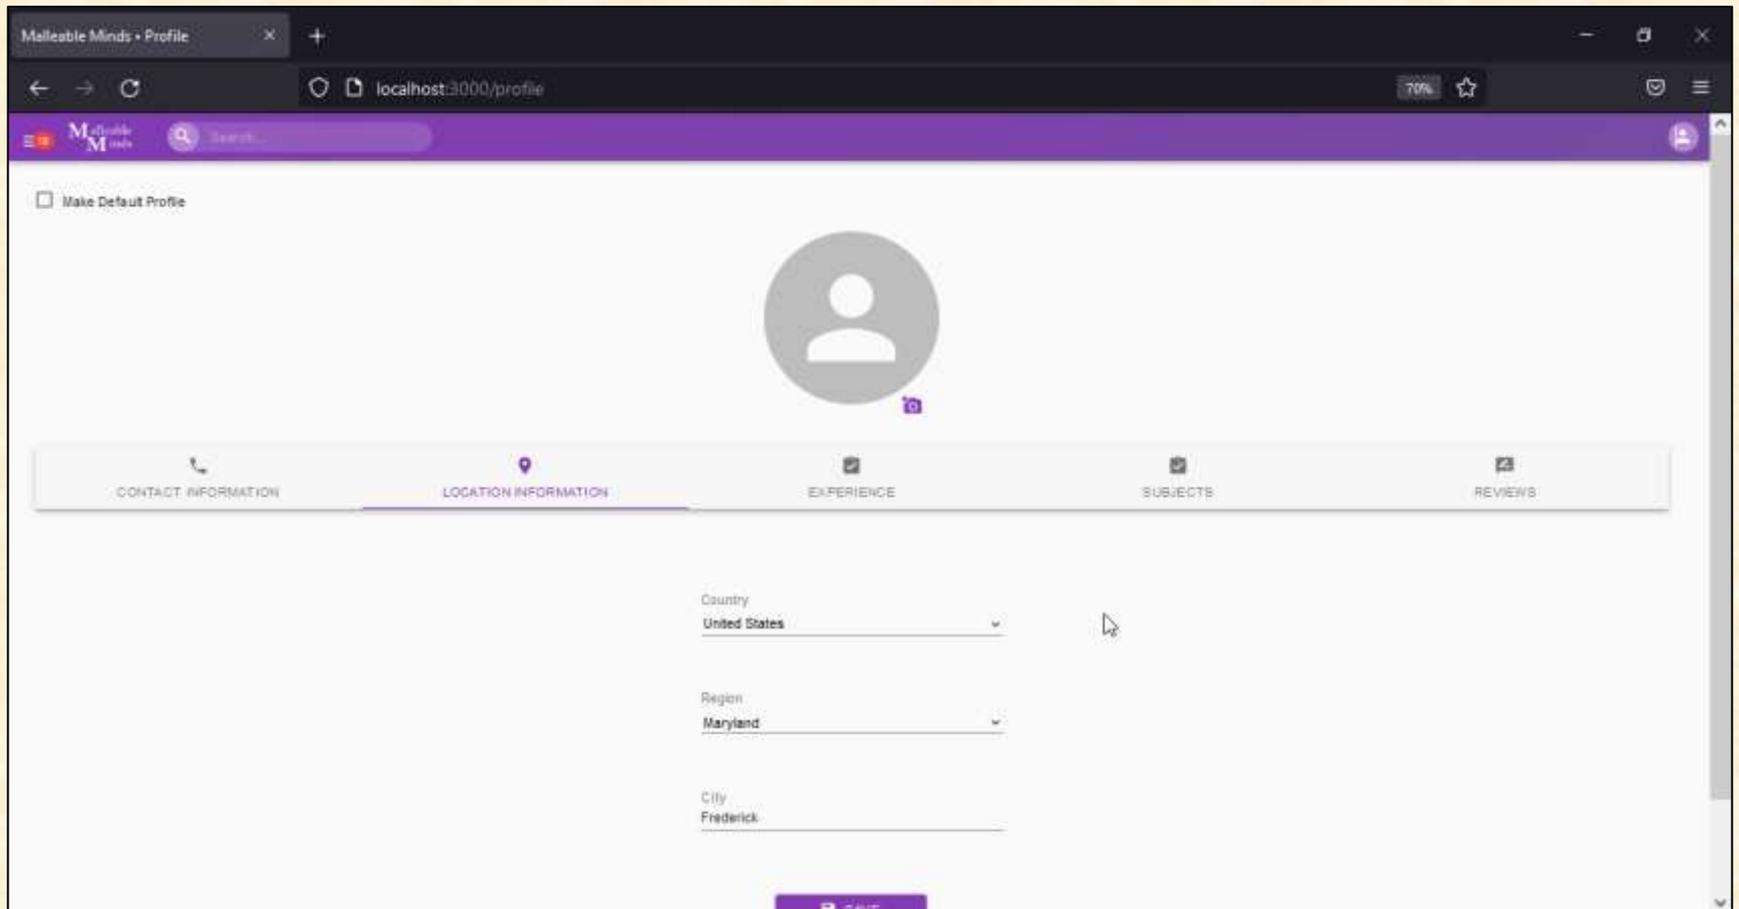

The screenshot shows a web browser window with the address bar displaying 'localhost:3000/program/28'. The page features a purple header with the 'Malleable Minds' logo and a search bar. Below the header is a large image of a diverse group of young people playing string instruments. The main content area is titled 'The Harmony Project' and includes the following details:

- By: CREATE Art Center, Los Angeles, California, United States
- Grade Level: K-12
- Program Type: Full Year
- Cost: \$0
- Scholarship Available: No
- Remote: Yes

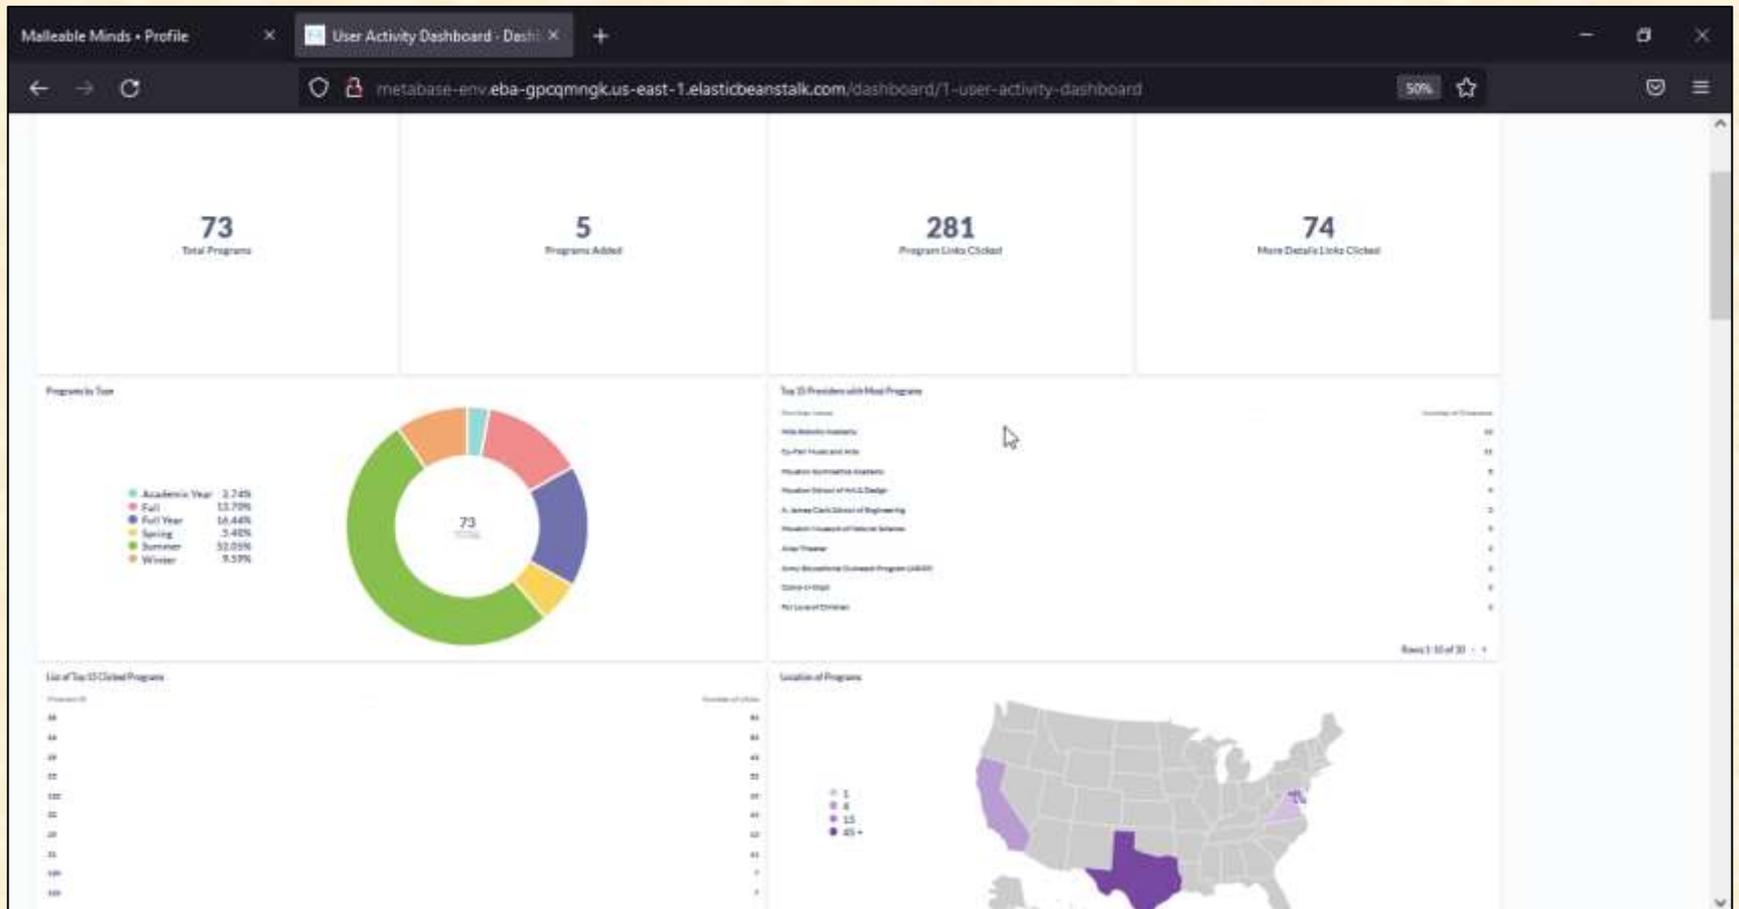

Below the details is a 'More Details' section. The page also displays two rating bars: 'PARENT RATINGS' and 'EDUCATOR RATINGS', both showing five stars. A 'Reviews' section is visible at the bottom, featuring a review from 'Admin' dated 11/14/2021. The review includes five stars for 'Positively Engaged Child', 'Safe', 'Value', and 'Recommend to Others', and the text 'Great program!'.
